THE BAT BRIGADE had quite a successful season as DeRidder's first baseball team was introduced. Getting off to a slow start, they made quite a "hit" by the time the season was over.

Along with "Big Bat" head coach Danny Geroy, the team practiced every day after school. Randy Fuller and Frank Johnson were elected co-captains. Bat-Buddy Ricky Brown was indispensable as he managed and kept everything in shipshape for the team.

Although a newly organized team one could say "The Bat Brigade" held its own in adding to the spirit at D.H.S.

Organizations

At the close of the 1973-74 session, the Beta Club helped the teachers in their preparation for the end of school.

As in the years past, the Beta members sold spirit ribbons for every football game. These ribbons were sold at the high school, and at the junior high.

The club made a charitable donation to the Juniores in their drive against Cystic Fibrosis.

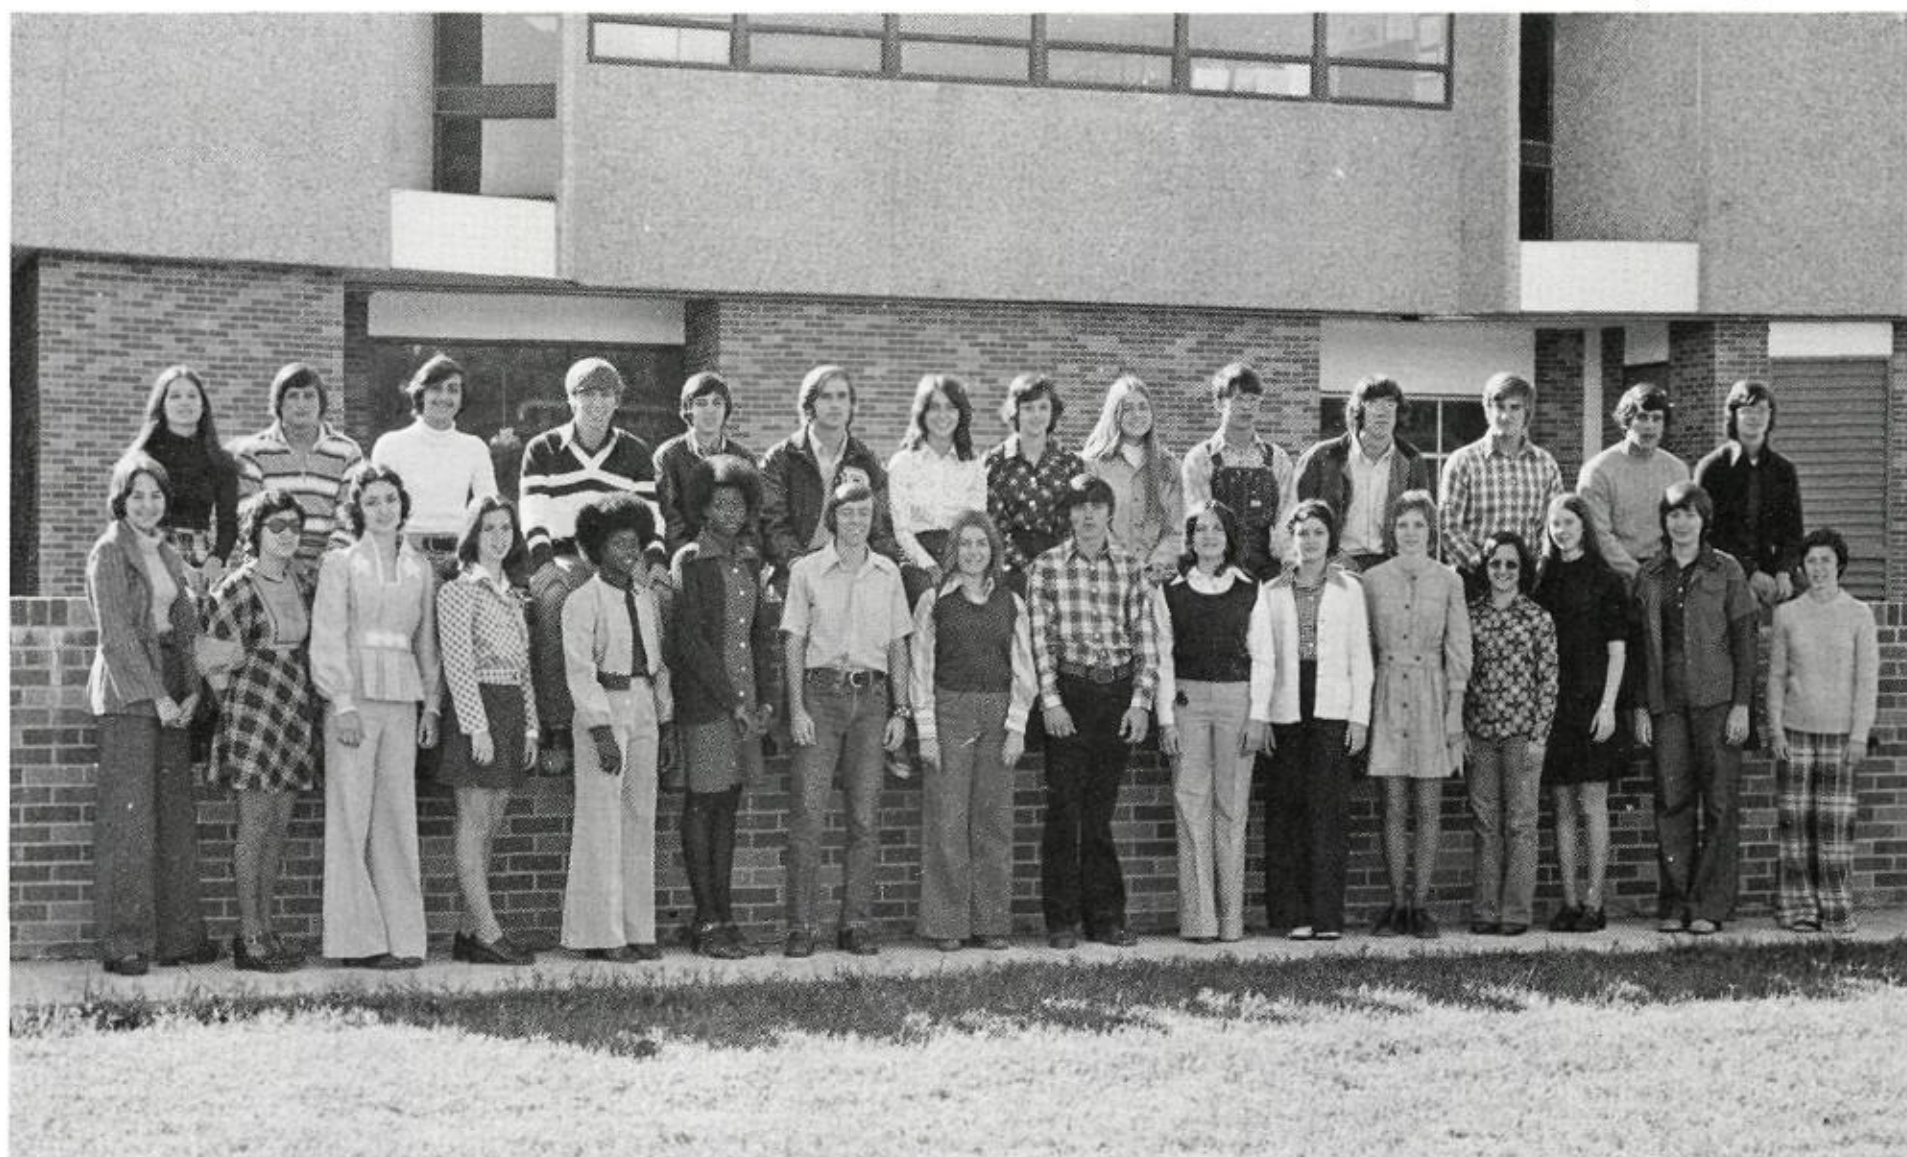

The Beta Club held its annual Installation Banquet and Induction Ceremony at the Park Motel Restaurant. At this time, the new members, who were initiated in November, became official members of the Beta Club.

The Student Council is composed of thirty-four students elected by the school. Seniors must hold the presidential and vice-presidential offices, while eight people from each class are elected as members. These representatives are then divided into committees headed by a chairman. John Marcello, Lazetta Evans, Vincent Zebeau, Karen Everett, and Jayne Bellando head the committees.

This year the council had a varied list of activities. These included a continuing sale of football and basketball pins, a dance and Student-Teacher Day, in which students took over the roles normally performed by the teachers. The members also ushered at each home football game.

All things considered, the council had a very productive year.

Our president seems to be asleep on the job.

Annual Staff at Natchitoches.

Recording and reporting a myriad of changing people, places, and events with some semblance of order is no easy assignment. The small though close knit group of this year's Dragon Annual Staff determined to make this their best effort.

Each of the staff's editors worked on one section of the Dragon, usually with the help of an assistant, in addition to rallying to the aid of other editors who might have been heavily taxed at a given deadline.

Leading the experienced staff was Editor in chief Kay Shirley, who supervised the copy and opening section of the annual. Other editors include: Shelley Houston (Features), Linda Nash (Sports and Classes), Julie Pollard (Spring Act. and Faculty), Vincent Zebeau (Ads), Carolyn Peddy (Organizations), and Richard McNamera (Business Manager). Of course we can't forget our faithful assistants, Karen Everett, Lew Ropp, Kerri Jo Shirley, Gayle Richardson, and Laurie Scoggins, and long standing Sponsor Photographer Mr. Bob McLamore.

Students aren't the only ones who have spirit.

In August the 1974 version of the DeRidder Dragons took the practice field with a spirit of dedication, pride and a willingness to work hard. With this attitude the Dragons were able to field the first winning team at DeRidder High School in the last ten years.

The Dragons opened the season on the road playing in the New Iberia Jamboree, where they played the host Yellow-Jackets to a 7-7 tie.

The regular season got under way in DeRidder the following week when the Dragons upset their archrivals from Leesville 28-6. Not accustomed to winning, plus a failure to prepare for the ever-strong Winnfield Tigers, saw the Dragons return to reality to the tune of a 20-0 loss to Winnfield. The following week the Dragons traveled to Jennings to do battle with the Bulldogs. The game was a hard-fought seesaw battle with the Dragons coming away with a 17-12 victory.

Game four marked the beginning of district play for the Dragons captured their victory ever in the Quad-A ranks with a 28-0 victory over the Alexandria High Trojans.

Game five saw the Dragons outplay the state-ranked Sulphur Golden Tors in all departments except the Scoreboard. The fired-up Dragons outplayed the Tors, but made two costly mistakes which enabled the visitors to gain a 17-6 victory.

Victory four came for the Dragons against the LaGrange Gators in Lake Charles. After a scoreless first half the Dragons put it together in the second half to claim a 10-0 victory.

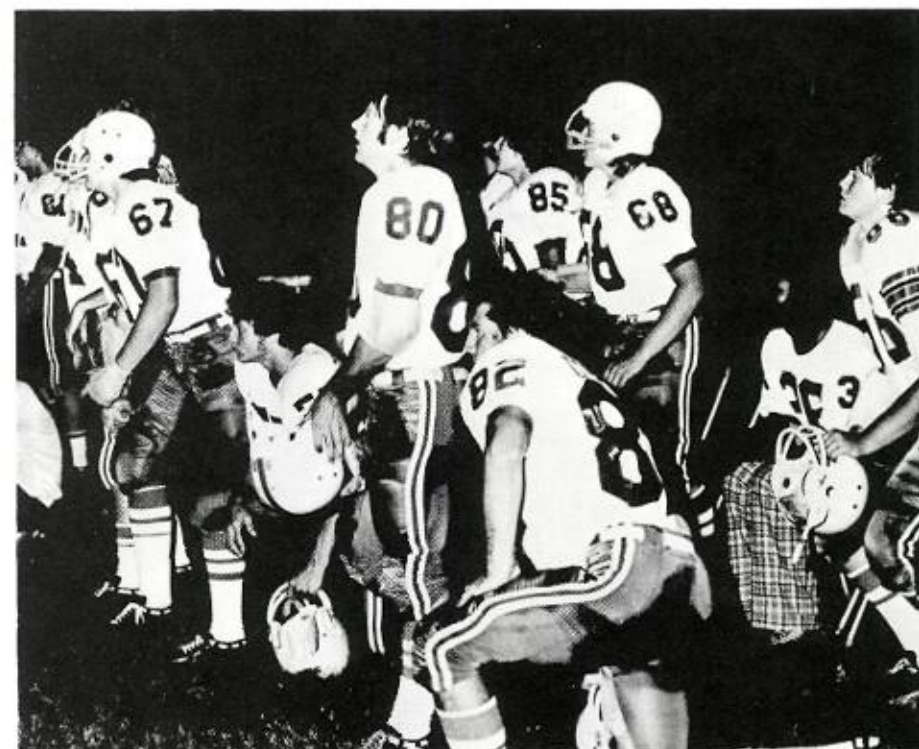

Homecoming was sweet for the Dragons as they claimed victory five of the year with a 27-7 win over the visiting Gents from Crowley.

The following week was not so sweet for everything went sour for the Dragons as they could do no right and Barbe could do no wrong in the 20-0 shutout of the Dragons.

Game nine found the Dragons in Westlake where they made the Rams' homecoming a disaster with a 35-13 victory over the host eleven.

The final game of the season saw the Dragons eliminated from the state play-offs by a 12-12 tie with the strong Lake Charles Wildcats.

The Dragons were disappointed in not making the state play-offs, but proud as they can be of a good year with a 6-3-1 record. The 1974 Dragons mark the beginning of a new era and a challenge to the teams of the future—to pay the price that is required of a winner.

Wow! Did you see that fantastic play we just made?

Rick on the rebound.

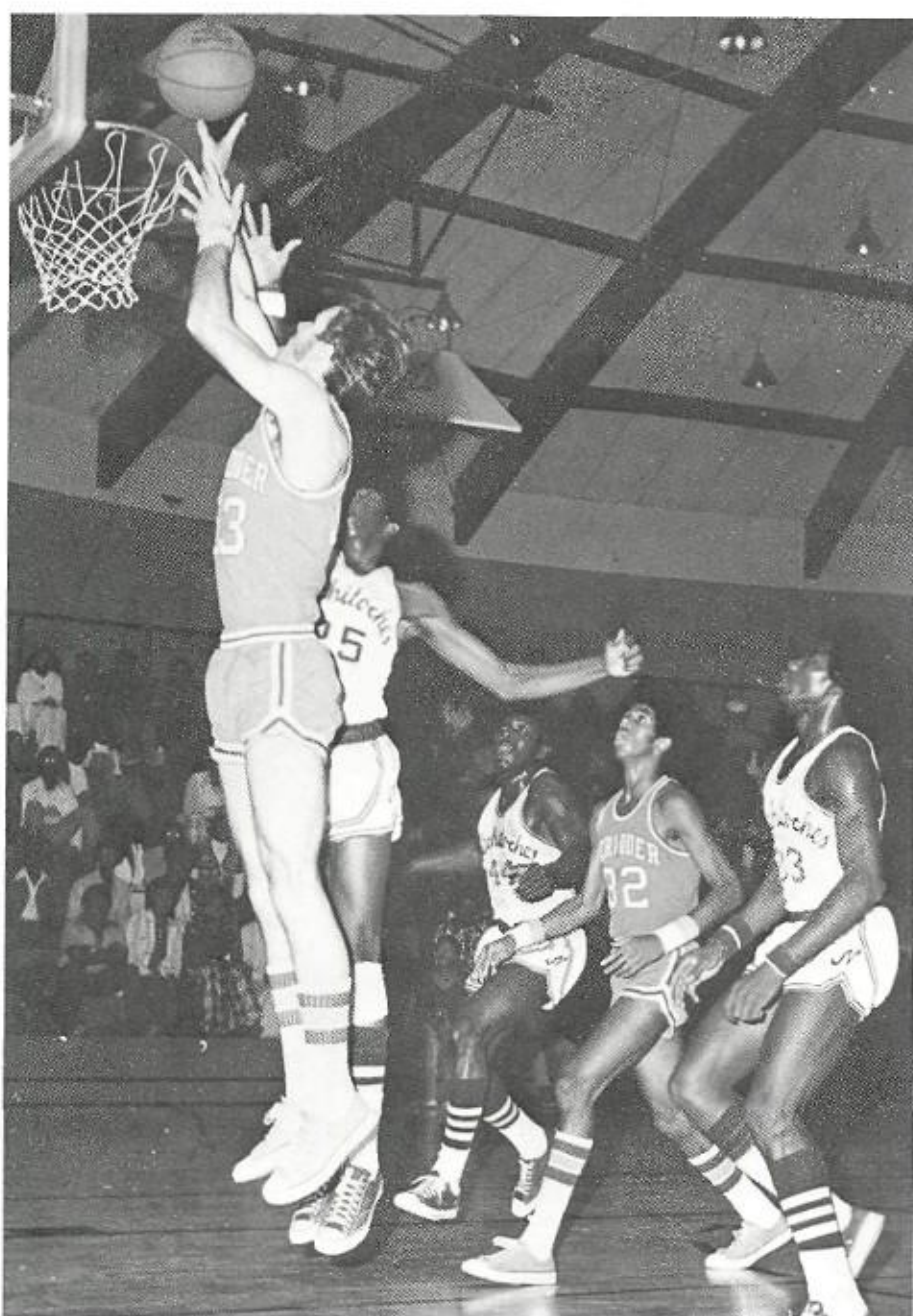

Head Coach Dale Skinner gives the boys his expert advice.

The DHS Basketball team returned to the court this year under the direction of a new coach, Dale Skinner, and assistant coach Robert McCoy. Returning starters for the season were Joe Johnson and Randy Branch. The team performance record of twenty wins and ten losses puts the team fifth in Southwest Louisiana and in district playoffs for a second place tie. This year's team consists of a sixteen-man squad of which four are seniors.

DeRidder Lady Dragons—State Champs Again!

From guard to forward, hand to hand, the ball makes its way down the court: the score progressing with the hands of the clock. Each goal leads the Lady Dragons to victory.

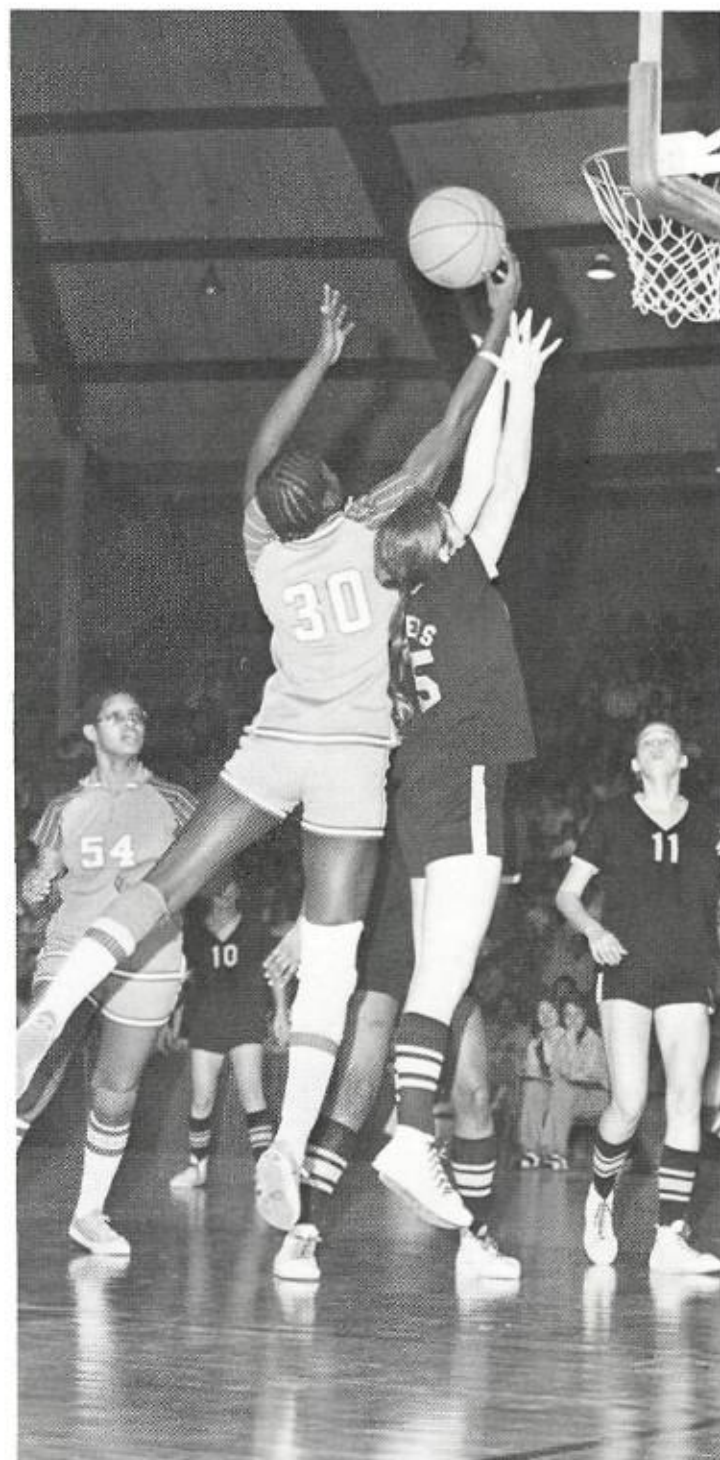

Again, Coach Diane Morris displayed outstanding coaching ability by producing another championship season. Coach Morris has taught her girls the essentials of playing a superior game and they have all lived up to her standards.

The Lady Dragons so aptly proved this as they took an undefeated record in regional play, later advancing to the Sweet Sixteen Tournament, in Alexandria, as the top team in their region. There, the Ladies defeated Hammond 64-31, the team who they had beaten in the 1973-74 state finals by only three points. Then, for the second straight year the Lady Dragons went on to take the 4-AAAA State Championship by edging out a strong New Iberia team 56-50.

Lisa raises the score by two.
